

• Annual Compensation Potential

Waiora offers its members an opportunity to achieve a lifetime of healthy living through its high-quality natural products. While many of our members choose to simply use our great products, others share the products and take advantage of Waiora's great business opportunity. Many of our members work their Waiora business part time to develop a supplemental income stream, while others work their Waiora business full time to maximize their income potential. It is completely up to the individual how much he or she wants to achieve.

The following table provides average gross compensation for members who have achieved the qualification level of Bronze and above for calendar year 2008.

Rank/Level	Average Annual Earnings 2008*
Bronze	\$720
Silver	\$1,080
Gold	\$2,391
Ruby	\$10,037
Emerald	\$48,514
Diamond	\$124,873
Single Diamond	\$277,343
Double Diamond	\$554,148
Triple Diamond	\$923,668
Blue Diamond	\$1,235,772

This doesn't even take into account profits from the resale of products to consumers!

*The amounts stated above are not a guarantee nor are they a projection of a typical member's earnings or profits. Like any independent business, income and earnings are a direct result of many variables including (but not limited to) individual effort, skills, commitment to success and desire to succeed. Results may vary considerably. The Waiora business opportunity and ability to earn more is always available to every member.

If you are 45 years old, you have an almost 40 percent chance of living to 90, meaning you can spend at least 25 years in retirement.
